

A COMMUNITY THAT HAS YOUR BACK.

We are family dairy farms, brought together by our shared values and our dedication to providing wholesome, nutritious dairy to families around the world. As a community, we work together to ensure we pay a competitive price and secure a home for our milk, increase efficiency and create lasting legacies for the next generation.

PARTNERS ON THE FARM

From financing and insurance options to price risk management tools, we offer farm services designed to improve efficiency and profitability on the farm. With our on-farm field services and management tools, leadership development programs and access to experts, we are committed to being a partner on the farm.

ONE UNIFIED VOICE FOR DAIRY

From Washington, D.C., to industry meetings around the globe, we are committed to advocating for dairy farm families and telling our story.

TELLING OUR STORY

Through our national and regional dairy brands, DFA connects family tables around the world directly back to our family farms through fresh, wholesome cheese, butter, fluid milk, dairy ingredients and more. Brands such as Kemps®, Keller's® Creamery, Plugrá® Butter, Borden® Cheese, Cache Valley® Creamery, Dairy Maid Dairy, Guida's Dairy, Oakhurst® Dairy and more are proving that DFA is a mark that matters.

DAIRY IS AT THE HEART OF WHAT WE DO, AND THE HEART OF WHO WE ARE.
